2024 Leland Games

Event Rules and Information

Registration Deadline is September 27, 2024.

Please register at www.lelandlifestyles.com. Look for the Leland Games tab at the top. Registration starts September 3, 2024, and ends September 27, 2024, at 5 PM.

For team events, one person must register the entire team. You will need your teammates' names, emails, phone numbers, addresses, and shirt sizes.

Once registered, you will receive an email confirmation with a PDF receipt. Please forward the email to all your teammates. Each teammate needs to bring a copy of their registration to their event. Consent waivers will be required and available to all participants at event registration on the event day. You can also find the consent waiver form at www.lelandlifestyles.com under the Leland Games tab at the top of the page to have prepared ahead of time if you would like.

We are excited to be back and look forward to another great year of making memories and having FUN!

Sincerely,
Leland Lifestyles Team

Communities coming together to give back!

Giving back is a core value of Leland Management, and we are excited to partner with Patriot Service Dogs to raise money throughout the Leland Games to sponsor a puppy that will go through training to become a veteran service dog. All funds received will go directly to Patriot Service Dogs. To donate, visit www.lelandlifestyle.com under the Leland Games tab.

The Patriot Service Dogs (PSD) Story:

Patriot Service Dogs began at a kitchen table in 2009 with a puppy named Libby and a mission; to provide veterans with high-quality service dogs. Since then, PSD has trained over 70 service dog teams, helped hundreds of incarcerated women through the WOOF Prison Program, built a dedicated volunteer base, and become the smallest organization to achieve membership to Assistance Dogs International. All the while PSD has never strayed from our original ethos of a small organization committed to quality and community.

No dog, no veteran, no sponsor, and no volunteer is just a name on a spreadsheet to Patriot Service Dogs.

- 2009 Founding in Jacksonville, FL
- 2011 Establishment of WOOF Prison Program
- 2015 Move to Marion County, FL
- 2017 State Certificates for WOOF Trainers
- 2018 First fully funded Warrior Week Training for Veterans
- 2021 50th Dog Placed
- 2022 ADI Certified Membership + 1st Service Dog Summer School
- 2023 Win the Defender Service Awards
- 2024 15th Anniversary + 70th Dog Placed

“Growth is not my goal; constantly improving is my goal. I never want to lead an organization so big that I don’t know every dog in training. Could we raise more funding if we placed more dogs, probably, but at what cost?”

Julie Sanderson
President and Co-Founder

How we see ourselves:

We often compare ourselves to an independent neighborhood store.

PSD offers similar “products” to much larger organizations, but we know what we provide on a much more personal level. We know our dogs individually, our veteran recipients remain a part of our community, and our volunteers and sponsors are on a first-name basis with our organization's president. For some veterans, volunteers, and donors, that personal ethos is what they seek in a service dog training organization.

This organization literally saved my life.
Yacov & Tucker

The WOOF Prison Program:

In June 2011, Patriot Services Dogs partnered with the Florida Department of Corrections to create the WOOF Program at Lowell Correctional Facility. WOOF initially offered 24 incarcerated women the opportunity to train 8 dogs. Today, hundreds of women and over 70 service dogs have participated in the program.

How the WOOF Program Helps Incarcerated Women:

- Training in pet industry skills
- Certificate from the State of Florida
- Career Skills Education (public speaking, resume writing, team building, etc.)
- Leadership Opportunities within the program

*"I made a lot of selfish decisions before I went to prison, the WOOF program taught me how to give back."
Cindy, Former inmate-trainer,
current PSD Volunteer*

100% of PSD service dogs receive training within the program.

Approximately

450 incarcerated women have participated in the program.

All veteran recipients

Begin advanced training alongside their service dog with a day of training inside the WOOF Program. This opportunity for veterans and inmate-trainers to work together helps PSD build our unique community.

Service Dog Summer School:

What is Service Dog Summer School?

- Volunteer “puppy raisers” help expose our dogs in training to life outside of the prison program
- The program runs from early June to early August, so families with school-age children can participate
- PSD covers all dog-related costs, provides training, and on-call support for volunteers
- Volunteers help educate our communities about the benefits of service dogs for veterans and protections for service dogs in the law
- 50% of summer school volunteers either continue volunteering or return for another year after the program ends

“We never expected it to be such a blessing for our family to help raise Bear for her veteran.” Cassidy Gleaton - Summer School Volunteer

The Ramierz Family, PSD Volunteer Puppy Raisers

WHAT DOES IT COST TO TRAIN A SERVICE DOG?

HERITAGE HILLS

A Lennar Community

BINGO

Date: Friday, October 25, 2024

Location: Heritage Hills of Clermont
3195 Heritage Hills Blvd., Clermont, FL 34711

Event Start: 11:00 Am

Must use the front gate located off Hancock Road

Event Start: Immediately following the Opening Ceremony

The Game: Each bingo card contains 24 numbers and a blank square, situated on a 5x5 grid. When the game starts, random numbers are drawn and whoever participating in the game completes a bingo pattern first, wins. The numbers on the cards are randomly assigned to the squares on the card. When the bingo game starts, the players are not allowed to use any more cards, other than the ones in their possession, until the end of the game. During the bingo game, random numbers are drawn and announced by the caller. After a number is announced, every player needs to check his/her bingo cards for the announced number and if he/she has it on one or more of his/her cards, they need to mark it accurately on the cards where the number is present. This is done until one or more players call BINGO. The game stops, the numbers are verified, and a new game is started if the player indeed has Bingo.

There will be a total of fourteen games played. The winner of each game will earn one point for their Association. If there are two winners, each will earn ½ of a point. At the end, the points will be tallied, and the top three Associations will be awarded the Gold Medalist, the Silver Medalist, and the Bronze Medalist

Bingo Cards: Bingo cards will be provided for each player. Players may choose to bring stampers, highlighters, or markers to mark their bingo cards.

Patterns: The patterns that will be played will be chosen by the Bingo caller and announced during the day of play.

Golf

Date: Monday, October 28, 2024 (Men's Teams Only)

Date: Tuesday, October 29, 2024 (Women's Teams Only)

Location: Arlington Ridge

4463 Arlington Ridge Blvd., Leesburg, FL 34748

Registration: 9:30 am

Shot Gun Start: 10:00 am

The Teams: Four teams of four players per community (Two Men's and Two Women's Teams)

The tournament will consist of 18 holes.

Cost: \$10.00 per person. Payment due at check in.

A golf scramble is a TEAM format for golf tournaments with the rules emphasizing fun without the pressure of players keeping individual scores. Each player hits a tee shot on each hole, but everyone plays from the spot of the best shot, subject to certain criteria, until the ball is holed. Total game time is about 4 hours.

Game Play:

1. Each member of the team starts play from their assigned starting hole.
2. The best tee shot is chosen through consensus of the scramble team. The group can decide the best tee shot based on any criteria they choose. Usually, the best shot is the longest drive that lands in the fairway, though the team may choose a long tee shot that landed off the fairway in the rough if there is a decent lie.

3. The spot of the best tee shot is marked with a golf tee or ball marker. Players must pick up their golf balls and hit from within one club length of the newly marked spot, keeping the ball in the same condition of the selected ball; ex: if the selected ball is in the rough all team members must play from the rough. Players are also permitted to move the ball no more than 6 inches and not closer to the hole on the putting green.
4. Team members continue selecting the best shot until one player hits the ball in the hole. The team score is the total of the best shots.

Dress Code: No denim or jean material pants or skirts will be permitted. The designated “2024 Leland Games” T-shirts are permissible with slacks or golf approved attire.

Tips: If you are selecting a scramble team, try to include at least one player who can hit good tee shots with the driver. Good tee shots will put your team in a good position for its second shot. Having a player who has good short-game skills also helps, especially putting.

Shuffleboard

Date: Monday, October 28, 2024

Location: Pennbrooke Fairways
501 State Road 44, Leesburg, FL 34748

Registration: 11:30 am

Event Start: 12:00 pm

Players: Two teams of two players per community.

Overview: The object of the game is to score more points than your opponent by either knocking their pucks off or by sliding your pucks past theirs into a higher score zone.

A game is a half a board (4 rounds)

Game Play: A coin toss determines who shoots which color disc to play. Yellow always goes first.

Terms Defined:

Foot - the end of the court furthest away from the scoreboard. **Head** - the end of the court nearest the scoreboard.

Kitchen - the (-10) scoring area

Hammer - the last disc (8th disc) that is pushed during a half-round.

Baseline - the white line that borders the bottom of the kitchen area (-10 area).

Deadline - the second of the 2 horizontal lines near the center of the court as viewed from either end.

Frame - a rectangle on the scoreboard reserved for marking the score.

Half-Round - is when 4 yellow discs and 4 black discs are pushed into play at one end of the court.

Round - is when 1 half-round has been completed at both the head and foot of the court.

Coaching - In friendly games, coaching can become a serious problem, especially on courts where everyone is trying to excel. Coaching should be offered only when it is solicited or tacitly accepted. Unrequested coaching usually contributes to tension. A new player seldom shoots his/her best during, or immediately after, a session of gratuitous coaching.

General Information:

Each community gets 1 point for a win, ½ point for a tie, or 0 points for a loss. The community with the most points at the end of the tournament wins.

Game Rules:

- A yellow disc is always pushed first from the head of the court at the start of each game.
- A disc that stops short of the deadline must be removed. A disc that stops on the deadline does not get removed.
- A disc that stops beyond the baseline but is still within 8” of the baseline must be removed. A disc that stops on the baseline should not be removed.
- Once a disc is declared “on the line” (shout “line”) or “not on the line” (shout “good 7”, for example) the declaration judgment should not be changed unless the disc is moved by another gliding disc- Coaching is allowed only when requested by your teammate; no unrequested coaching allowed.
- No walking on the playing area of the court unless you need to closely judge whether or not a disc is “on the line” or “not on the line”.

Softball

Date: Tuesday, October 29, 2024

Location: Highland Lakes & Legacy of
Leesburg

5280 Legacy Blvd., Leesburg, FL 34748

Registration: 10:10 am

Practice: 10:30 am

Event Start: 11:00 am

Number of Players: (1) team of (11) players, plus maximum of (2) alternates, per community. Coed teams are allowed.

Game Play: All teams will play at either Legacy of Leesburg or Highland Lakes POA. Single Elimination Tournament. A draw will determine which teams play each other in the first round and at which field. Winners of the first two games will play each other for the championship. Slow pitch with a legal pitch height of 6' minimum to 12' maximum.

Equipment: ASA bats only. "Trump X Rock" softballs only. New balls for each game.

Rules:

- Batter will start with one ball and one strike.

Seven innings will be played. In the event of a tie, the batter that made the last out in the 7th inning will start at 2nd base for the 8th inning. Five runs are allowed per inning for each team, except that a team that is behind by more than five runs is allowed enough runs to tie the score. There are two bases on first. Infield hit - must run to outside base. Outfield hit - must run to inside base. Only one reverse is allowed if running to second or third base and caught in a pickle. Otherwise, the runner is out. When running to home plate, you must run to the right and cross the line only. Do not run to home plate as that will be an out. If the catcher catches the ball at home plate before the runner crosses the line, it is an out. You can have a runner at home plate or any other base. All runners must be in the line-up. Any interference or close call at any base is discussed between the coach and the umpire. No player can be involved.

Two umpires will be used. Concession stands will be open.

Date: Friday, November 1, 2024

Location: Legacy of Leesburg
5280 Legacy Blvd., Leesburg, FL 34748

Registration: 8:00 am

Event Start: 8:30 am

Number of Players: One team of four players per community.

Legacy of Leesburg has 4 courts. Four (4) people per team (one alternate may be used if needed).

1. People watching the games should place their lawn chairs in the grass area along side the courts. Benches are for players only.
2. Cards will be drawn to determine which teams play against each other and which court they start. They will draw from a combination of two (2) aces, deuces, threes & fours. Teams who drew aces will play on court 1, deuces on court 2, Threes on court 3 & fours on court 4.
3. Each team will pick a Captain. Only Captains are allowed on the court to determine which ball is closer to the pallina or points scored for the frame.
4. Captains will toss a coin to determine which team goes first. Team that wins the coin toss selects which ball color they wish to play with.
5. Two (2) members of each team will be stationed at opposite ends of the court and alternate rolling two (2) balls each.
6. When rolling the pallina or one of the bocce balls, a player must keep both feet inside the court and behind the foul line.

7. Legal pallina toss - beyond the center line and before back line at opposite end. If pallina toss is less than 12 inches from side boards, a Captain will move the pallina a foot from the side board. If a player fails to toss the pallina into a valid area, an opposing team player on that side of the court will toss the pallina into play. Player who first attempted the pallina toss will roll the first ball of the frame.

8. Side boards are always in play, but a ball that hits the backboard before hitting another ball is taken off the court. The same team must roll again till they get a ball in play or roll all their bocce balls.

9. In the event of a tie, the last team to roll a ball must roll again until the tie is broken. If after all the balls are played there is still a tie, no points are awarded and play resumes with the team last scoring tossing the Pallina from the opposite end of the court.

10. If a ball is moved before both captains have agreed on points scored in that frame, and that ball was in contention for a point, if the ball was moved by the opposing team, the additional point would be awarded; if moved by the team that rolled the ball, no additional point will be awarded.

11. In the middle of each game, after the frame 5 points are obtained by either team, players will switch sides of the court. This includes the Championship round.

12. Players should not walk on center aisle during matches, this would be a distraction.

13. All games will be played up to 10 points.

14. All games will be double elimination till the Final round. The two teams making it to the Final round will compete in a 2 out of 3 game match. First team to win 2 out of 3 games are the 1st place champions. Team that lost in the Final round will take 2nd place.

15. We will have 2 groups with 4 teams each. Winners of each group will play against each other for the Championship and Final Standings: 1st, 2nd, 3rd & 4th place.

Group 1 (Courts 1 & 2)

Group 2 (Courts 3 & 4)

16. After each match, the winning team captain will report the result to the even facilitator, Dave Englander.

Once teams have been eliminated you are welcome to play on open courts for fun.

- The hosts will give the answers and keep your team's on-going score.
- At the end of several categories the team(s) with the most points win.

Billiards

Date: Monday, November 4, 2024

Location: Kings Ridge
1900 Kings Ridge Blvd., Clermont, FL 37741

Registration: 9:30 am

Event Start: 10:00 am

Number of Players: Two teams of two players from each community.

Game Play: We will be playing by the BCA rules with only a few changes. (Rules attached.)

There will be a double elimination.

- You will play 2 games unless tied. Then, a third game will need to be played.
- Winner always breaks and loser always racks.
- Teams will take turns when playing in each game.
- There will be a Winner and Loser Bracket.

The BCA Rules are below.

Each table will be provided a table monitor. Questions from players will be given to the table monitor who will then report to Coordinator.

Scores will be reported by table monitors to scoreboard keepers and new games will be called out by table monitors.

BCA 9 Ball Rules

Object of the Game:

Nine-Ball is played with nine object balls numbered one through nine and a cue ball. On each shot, the first ball the cue ball contacts must be the lowest numbered ball on the table, but the balls need not be pocketed in order. If a player pockets any ball on a legal shot, he remains at the table for another shot, and continues until missing, committing a foul, or winning the game by pocketing the 9-ball. After a miss, the incoming player must shoot from the position left by the previous player, but after any foul the incoming player may start with the cue ball anywhere on the table. Players are not required to call any shot. A match ends when one of the players has won the required number of games.

Racking the Balls:

The object balls are racked in a diamond shape, with the 1-ball at the top of the diamond and on the foot spot, the 9-ball in the center of the diamond, and the other balls in random order, racked as tightly as possible. The game begins with cue ball in hand behind the head string.

Order of Break:

Winner of the lag has the option to break. In 9-Ball, the winner of each game breaks in the next, unless otherwise specified by the tournament organizer. The following are common options that may be designated by tournament officials in advance:

- Players alternate break.
- Loser breaks.
- Player trailing in game count breaks the next game.

Legal Break Shot:

The rules governing the break shot are the same as for other shots except:

1. The breaker must strike the ball first and either pocket a ball or drive at least four numbered balls to the rail.
2. If the cue ball is pocketed or driven off the table, or the requirements of the opening break are not met, it is a foul, and the incoming player has cue ball in hand anywhere on the table.

3.If on the break shot, the breaker causes an object ball to jump off the table, it is a foul and the incoming player has cue ball in hand anywhere on the table. The object ball is not re-spotted (exception: if the object ball is the 9-ball, it is re-spotted).

Continuing Play:

On the shot immediately following a legal break, the shooter may play a "push out." (See Rule 5.6). If the breaker pockets one or more balls on a legal break, he continues to shoot until he misses, fouls, or wins the game. If the player misses or fouls, the other player begins an inning and shoots until missing, committing a foul, or winning. The game ends when the 9-ball is pocketed on a legal shot, or the game is forfeited for a serious infraction of the rules.

Push Out:

The player who shoots the shot immediately after a legal break may play a push out in an attempt to move the cue ball into a better position for the option that follows. On a push out, the cue ball is not required to contact any object ball nor any rail, but all other foul rules still apply. The player must announce the intention of playing a push out before the shot, or the shot is considered to be a normal shot. Any ball pocketed on a push out does not count and remains pocketed except the 9-ball. Following a legal push out, the incoming player is permitted to shoot from that position or to pass the shot back to the player who pushed out . A push out is not considered to be a foul as long as no rule (except rules 5.8 and 5.9) is violated. An illegal push out is penalized according to the type of foul committed. After a player scratches on the break shot, the incoming player cannot play a push out.

Fouls:

When a player commits a foul, he must relinquish his run at the table and no balls pocketed on the foul shot are re-spotted (exception: if a pocketed ball is the 9-ball, it is re-spotted). The incoming player is awarded ball in hand; prior to his first shot he may place the cue ball anywhere on the table. If a player commits several fouls on one shot, they are counted as only one foul.

Bad Hit:

If the first object ball contacted by the cue ball is not the lowest numbered ball on the table, the shot is foul.

No Rail:

If no object ball is pocketed, failure to drive the cue ball or any numbered ball to a rail after the cue ball contacts the object ball on is a foul.

In Hand:

When the cue ball is in hand, the player may place the cue ball anywhere on the bed of the table, except in contact with an object ball. The player may continue to adjust the position of the cue ball until shooting.

Object Balls Jumped off Table:

An un-pocketed ball is considered to be driven off the table if it comes to rest other than on the bed of the table. It is a foul to drive an object ball off the table. The jumped object ball(s) is not re-spotted (exception: if the object ball is the 9-ball, it is re-spotted) and play continues.

Jump and Masse Shot Foul:

If a match is not refereed, it will be considered a cue ball foul if during an attempt to jump, curve, or masse the cue ball over or around an impeding numbered ball, the impeding ball moves (regardless of whether it was moved by a hand, cue stick follow-through or bridge).

Push Out:

If a player fouls three consecutive times on three successive shots without making an intervening legal shot, the game is lost. The three fouls must occur in one game. The warning must be given between the second and third fouls. A player's inning begins when it is legal to take a shot and ends at the end of a shot on which he misses, fouls or wins. or when he fouls between shots.

End of Game:

On the opening break, the game is considered to have commenced once the cue ball has been struck by the cue tip. The 1-ball must be legally contacted on the break shot. The game ends at the end of a legal shot which pockets the 9-ball, or when a player forfeits the game as the result of a foul.

Cornhole (Indoor)

Date: Wednesday, November 6, 2024

Location: Royal Harbor
5950 Royal Harbor Blvd, Tavares, FL 32778

Registration: 11:30am

Games Begin: 12:00pm

Number of Players: (4) teams per community of (2) players per team.

Rules: American Cornhole Organization rules will apply. (Summary below)

Boards are placed 27 feet from front edge to front edge.

Games are played to 21 or more points. (no bust)

Woody: Refers to any cornhole bag that has been pitched and remains on the cornhole board playing surface at the conclusion of the frame. **Each woody is 1pt.**

Cornhole: Refers to any cornhole bag that has been pitched and passes through the cornhole board hole at any time within the frame. **Each cornhole is 3pts.**

A bag that comes to rest touching the ground AND the board does not count as a point.

Cancellation Scoring: The approved method of scoring for the sport of cornhole is “cancellation” scoring. In cancellation scoring, the points of one player cancel out the points of their opponent. Using this method, only one player/team can score in each frame.

Both **players play one board at a time** and **stay in their designated lane** for the whole game (right or left).

Players start the game at one board and **alternate pitching bags** until each player has pitched all (4) of their bags.

Players then **walk to the end of their lane** to the other board, take score, and resume pitching back to the other cornhole board.

Players must deliver the bag with an **underhanded release**.

Feet must stay behind the **line of the front of the board** at the time of releasing the bag.

The player/team who scored in the preceding frame **itches first** in the next frame.

If neither player/team scores, the player/team who pitched first in the preceding frame shall retain first pitch in the next frame.

If bags become piled inside the hole and may interfere or obstruct with the next pitch or if there is question whether a cornhole bag would have naturally fallen through the hole, a player may request to **rake** the cornhole bags that have fallen inside the hole.

See complete rules here: [**ACO OFFICIAL RULES FOR THE SPORT OF CORNHOLE**](#)
